Product description

The wine cooler that enhances every tasting

With a width of just 30 cm, this built-in under-counter wine cooler is the ideal companion for wine lovers seeking elegance and performance in a compact format. Its two independent temperature zones allow red and white wines to be stored at their ideal temperatures, revealing the full richness of their aromas.

Designed with a plinth recess, it ensures discreet and seamless integration under the worktop, perfectly suited to contemporary kitchens. Its reversible matte black door delivers a modern look while offering flexible installation options, and compatibility with the Vinotag app allows you to manage your wine collection with precision. A perfect blend of technology and refinement for your finest wines.
