### Product description

Elevate your kitchen with our 60 cm built-under built-in wine cellar, designed for those who appreciate both style and precision. Its seamless door with an integrated handle blends effortlessly into modern cabinetry, creating a refined and minimalist look.

Featuring dual temperature zones, this cellar allows you to store and serve red and white wines at their optimal conditions simultaneously. Advanced climate control, low-vibration technology, and gentle LED lighting ensure your bottles are preserved with the utmost care.

For added convenience, each shelf is mounted on telescopic rails, allowing smooth, effortless access to your bottles while keeping your collection perfectly organized.

Compact yet spacious, it fits perfectly under the counter while offering easy access to your finest wines. A premium solution that combines convenience, sophistication, and professional-quality storage—right at home.
