

UNIVERSALCOVER - GLASSES

IRONING BOARD COVER

Laurastar is bringing a glamorous, quirky element to the world of ironing board covers, with tangy lips or trendy-chic glasses offering a fun contrast against a resolutely modern black background. Be it a feminine pop or a nod to our masculine clients, these two original designs provide a completely new take on designer ironing.

Part of the Universalcover collection, these new covers are both irresistible and high-performance, offering both an exclusive look and all the qualities of Laurastar's universal covers. Equipped with a cotton upper layer and 6 mm thick foam padding, they offer true ironing comfort as well as the perfect amount of steam. Easily positioned thanks to a clip for tightening, these models can be adapted to all brands of ironing board.
