Important Safety Instructions

SAVE THESE INSTRUCTIONS

Household use only.

For indoor use only.

When using an electrical appliance, basic precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING (THIS APPLIANCE). Failure to follow the warnings and instructions may result in electric shock, fire and/or serious injury.

WARNING – To reduce the risk of fire, electric shock, or injury:

1. This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children should not play with the appliance. Cleaning and user maintenance shall not be performed by children without supervision.
2. The appliance is not to be used by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction.
3. Use only indoors, on non-carpeted floor surfaces such as vinyl, tile, sealed wood, etc. Be careful not to run over loose objects or edges of area rugs. Stalling the brush may result in premature belt failure.
4. Do not allow to be used as a toy. Close attention is necessary when used by or near children, pets or plants.
5. Use only as described in this manual. Use only manufacturer's recommended accessories.
6. Do not use with a damaged cord or plug. If appliance has been dropped, damaged, left outdoors, dropped into water, or is not working as it should, return it to a service center.
7. Do not handle charger, including charger plug, and charger terminals with wet hands.
8. Do not put any object into openings. Do not use with any opening blocked; keep free of dust, lint, hair, and anything that may reduce air flow.
9. Keep hair, loose clothing, fingers, and all parts of your body away from openings and moving parts.
10. Use extra care when cleaning on stairs.
11. Do not use to pick up flammable or combustible liquids, such as gasoline, or use in areas where they may be present.
12. Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
13. Do not use without filter.
14. Prevent unintentional activation. Ensure the switch is in the off-position before picking up or carrying the appliance. Carrying the appliance with your finger on the switch or energizing appliance that have the switch on invites accidents.

15. Always switch off the appliance before making any adjustments, changing accessories, or storing the appliance. Such preventive safety measures reduce the risk of starting the appliance accidentally.
16. Charging only with the charging dock specified by Tineco. A charging dock that is suitable for one type of battery pack may create a risk of fire when used with another battery pack.
17. Use appliances only with specifically designated Tineco battery packs. Use of any other battery packs may create a risk of injury and fire.
18. Under abusive conditions, liquid may be ejected from the battery; avoid contact. If contact accidentally occurs, flush with water. If liquid comes into eye contact, seek medical help. Liquid ejected from the battery may cause irritation or burns.
19. Do not use a battery pack or appliance that is damaged or modified. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury.
20. Do not expose a battery pack or appliance to fire or excessive temperature. Exposure to fire or temperature above 266°F (130°C) may cause an explosion.
21. Follow all charging instructions and do not charge the battery pack or appliance outside of the temperature range specified in the instructions. Charging improperly or at temperatures outside of the specified range may damage the battery and increase the risk of fire.
22. Have servicing performed by a qualified repair person using only identical replacement parts. This will ensure that the safety of the product is maintained.
23. This appliance contains battery cells that are non-replaceable. Do not modify or attempt to repair the appliance or the battery pack except as indicated in the instructions for use and care.
24. Always turn off this appliance before connecting or disconnecting the motorized nozzle.
25. Do not charge or store the appliance outdoors or inside the car. Only charge, store or use the battery in a dry indoor area where the temperature is higher than 39.2°F (4°C) but lower than 104°F (40°C). The charger is for indoor use only.
26. Do not use to pick up ultrafine particles, such as lime, cement, sawdust, gypsum powder, or ashes.
27. Do not use to pick up sharp objects, such as metallic nails, pieces of glass, metal paper clips, or pins.
28. Do not use to pick up hazardous material and chemicals, such as solvent, drain cleaner, strong acids, or strong alkali.
29. Stop using immediately if the appliance is overheating, making unusual noises, producing unusual odors, performing low suction, or leaks electricity.
30. Turn cleaner OFF and disconnect from electrical outlet for long-term storage.
31. Always clean the Dirty Water Tank after each use to avoid potential blockage, which may lead to low suction power, motor overheating, or reduce the service life of the appliance.
32. Store appropriately indoors in a dry place after use.
33. Do not place or submerge appliance in standing water or try to clean flooded areas.
34. All data and technical instructions of this manual are based on results from lab tests of Tineco or designated third parties. The company reserves all rights for final explanations.

35. The plug must be removed from the socket-outlet before cleaning or maintaining the appliance.
36. A hazard may occur if the appliance runs over the supply cord.
37. Do not use the appliance when the water depth is more than 5mm above the surface.
38. Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
39. When battery pack is not in use, keep it away from metal objects such as paper clips, coins, keys, nails, screws or other small metal objects that could create a connection between the battery terminals. Short-circuiting the battery terminals may result in burns or a fire.
40. To reduce the risk of fire and electric shock – Use only Tineco cleaning products intended for use with this machine.
41. Do not leave appliance when plugged in. Unplug from outlet when not in use and before servicing.
42. The instructions for appliance with a liquid dispensing system specify the amount and type of the liquid to be used.
43. The liquid or steam must not be directed towards equipment containing electrical components, such as the interior of ovens.
44. If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
45. Children should be supervised to ensure that they do not play with the appliance.

Range of Usage

1. The cordless hard floor cleaner is to be used on indoor hard floors, such as vinyl, tile, sealed wood, etc. Use on a rough surface may not get the best performance.
2. Keep your appliance away from heat sources, such as fireplace or heater, to avoid casing deformation.
3. Do not use to pick up flammable or combustible liquids, ultrafine particles, sharp objects, hazardous material, chemicals or anything that is burning or smoking, as described above.

About the Appliance

1. Do not modify or attempt to repair the appliance except as indicated in the instructions for operating and cleaning.
2. The appliance is only to be used with the power supply provided. The plug must be removed from the socket-outlet before cleaning or appliance maintenance.
3. Use extra care when cleaning on stairs.
4. Ensure that the Power Switch is in the OFF-position before picking up or carrying the appliance. Do not lay flat or lean the appliance so as to prevent dirty water from entering into the motor.
5. To avoid being tripped accidentally, please put away the appliance on the charging dock.
6. Always install the Dirty Water Tank and Clean Water Tank properly before use.
7. Do not allow the appliance or charging dock to get wet to avoid risk of fire or injury caused by a short circuit.
8. **WARNING:** For the purposes of charging the battery, only use the detachable power supply provided with this appliance.

About the Drying & Charging Dock

WARNING – Do not immerse in water.

CAUTION – Hot surface. When using avoid contact.

Recycling Instructions according to Battery Law

The rechargeable battery contains materials that are harmful to the environment and must therefore be removed from the device before disposal.

The device must be switched off to remove the rechargeable battery.

Batteries and rechargeable batteries must not be disposed of in household waste! Every consumer is obliged to hand in all batteries and rechargeable batteries, regardless of whether they contain harmful substances or not, at a collection point in his or her municipality/district or at a retailer, so that they can be disposed of in an environmentally friendly manner. Batteries and rechargeable batteries should only be returned when discharged.

Batteries and rechargeable batteries are therefore marked with the symbol left.

Recycling Instructions according to WEEE

Waste electrical and electronic equipment must not be disposed of with household waste! Every consumer is obliged to hand in all appliances at the end of their service life at a collection point in his or her municipality/district or at a retailer so that they can be disposed of properly and in an environmentally friendly manner.

The illustration left shows the wheeled bin symbol indicating separate collection of waste electrical and electronic equipment (WEEE).

For EU Countries:

Hereby declare that this product complies with the essential requirements of all relevant directives and regulations applicable in the European Community. The Declaration of Conformity (DoC) can be obtained from our website.

Specifications

Product (Appliance)	FLOOR ONE S9 ARTIST STEAM PRO SERIES
Model	SW20xyyyzz
Voltage	25.2V== 6250mAh Li-ion
Rated Power	285W
Charging Time	<4hrs
Water Flow Rate	20-75ml/min
CWT Capacity	≈0.88L
DWT Capacity	≈0.8L (Lay-flat status: 0.63L)
Waterproof	IPX4
Frequency Range	2400-2483.5MHz
Wireless LAN Output Power (Max)	18.28dBm

Drying & Charging Dock

Model	AA2523B
Input	220-240V~ 50-60Hz
Rated Power (charging)	60W
Rated Power (drying)	620W
Output	30V== 2A

*Estimated runtime data was obtained by Tineco Laboratory.

Accessories

Note:

Accessories may vary among markets. If you require more accessories, please go to www.tineco.com or store.tineco.com.

Heatproof Brush Roller

Soft roller head with bristles can be used to vacuum and wash at the same time. It can be easily cleaned with the self-cleaning function.

Dry Filter

Dry filter and filter net can block large particles and debris, ensure the appliance's durability.

* Please install the dry filter before use, or it may lead to weak suction.

Cleaning Tool

A full brush to clean the DWT, brush chamber and opening.

The tool also has a bristled end to remove dirt and mud on the roller and DWT.

Assembly

How to Assemble/Disassemble

Note:

For water tank and brush assembly, please refer to "Operation" and "Maintenance".

To assemble the handle, insert it into the appliance until you hear a click.

In the event that the handle needs to be disassembled, press the spring to release the handle with a tool (like a screwdriver) and lift the released handle from the appliance.

Operation

Preparing for Use

- Before first use, please charge the appliance for 4 hours (refer to “Charging Instructions” for details).
- * Based on results from Tineco lab tests. Lab temperature 39.2°F (4°C) ~ 104°F (40°C).

Press the ① button and the appliance will start in AUTO mode by default. Press it again to turn off the appliance. Switch between AUTO, MAX, STEAM, SUCTION and QUIET modes by pressing the  button.

ReverseScrub cleaning:

Delivers intensive scrubbing to effectively remove tough ground stains. Press shortly to activate.

WiFi/Mute/Language Switch Button

- Short press to adjust the volume.
- Press twice to switch languages (More voice languages will be added, please refer to the actual product for now).
- Hold for 3 seconds to connect to network.

To clean under the bed and furniture, first lay the appliance flat.

The appliance will stop working when put upright and start running again when reclined.

Place the appliance on the charging dock vertically after use for recharge and storage.

Note:

- It is crucial to choose the right mode based on the CWT contents to achieve the highest level of dirt detection efficiency.
- Do not vacuum foamed liquid.
- To vacuum water left on the surface, the appliance will keep running for 3 seconds after powering off.

Filling Clean Water Tank

Press the Clean Water Tank release button to remove it from the appliance.

Open the tank cap, and fill the tank with tap water.

Note:

**Only use water under 140°F/60°C.
DO NOT USE HOT WATER.**

Place the tank back into the appliance. You should hear a click if done correctly.

Charging Instructions

- To charge the appliance, plug in the charging dock and place the appliance on it.
- To avoid tripping hazards, please place the appliance on the charging dock near a wall during charging.

Warning:

- Only charge the appliance with the charger supplied by Tineco.
- During long periods of not being used, the appliance must be charged once every 3 months for optimal performance. It may take up to 4 hours for a full charge.
- Store indoors in a dry place. Do not expose the appliance to sunlight or freezing temperatures. Recommended temperature range: 39.2°F (4°C) ~ 104°F (40°C).

Cleaning Mode Selection

AUTO Mode / AUTO Mode (Lay-flat)

- In AUTO mode and AUTO mode (Lay-flat) , the iLoop sensor automatically detects how dirty the floor is and applies suction power.
- Full red light indicates more dirt is detected, and blue light indicates less dirt is detected.

MAX Mode / MAX Mode (Lay-flat)

- In AUTO Mode / AUTO Mode (Lay-flat) , press the  button to activate MAX Mode / MAX Mode (Lay-flat) .
- In MAX Mode / MAX Mode (Lay-flat), the appliance applies max suction power and sprays water for embedded stains.

STEAM Mode / STEAM Mode (Lay-flat)

Note: Do not add any solution in Steam Mode.

- In AUTO mode and AUTO mode (Lay-flat), press the  button twice to activate STEAM mode / STEAM mode (Lay-flat).
- In STEAM Mode / STEAM Mode (Lay-flat), it takes 30-65s to prepare steam. This mode is ideal for cleaning stubborn stains.

SUCTION Mode / SUCTION Mode (Lay-flat)

- In AUTO mode and AUTO mode (Lay-flat), press the  button three times to activate SUCTION mode / SUCTION mode (Lay-flat).
- In SUCTION mode / SUCTION mode (Lay-flat), the appliance absorbs water. It's recommended to use this mode on wet surfaces.

QUIET Mode / QUIET Mode (Lay-flat)

- In AUTO mode and AUTO mode (Lay-flat), press the  button four times to activate QUIET mode / QUIET mode (Lay-flat).
- In QUIET mode / QUIET mode (Lay-flat), appliance delivers intensive scrubbing to effectively remove tough ground stains.

Note:

Keep sharp objects away from the digital display screen to avoid scratches and scrapes.

Indicator

During Charging / Fully Charged

- Screen: battery level displays for 5 minutes, then screen off. Press any button to check the battery status while charging.

App

All the functions can be performed using the Tineco app. Download the Tineco app from App Store, Google Play and Tineco Official Site.

EN

Note:

The default setting for voice prompt is English, you can set other languages via App.

Maintenance

Note:

- For optimal performance and to prevent odors, always **clean** and **dry** DWT, CWT, filters, brush roller **completely** after each use.
- Please make sure each part is installed correctly or the appliance may not work properly.
- Do not soak the appliance or wash it under water.
- Some water may remain in the appliance due to factory inspection.
- After maintenance, place the appliance on the charging dock vertically. Do not expose the appliance to direct sunlight, and store it indoors in a dry place.

Main Body

To reduce the risk of injury, switch off before performing maintenance.

Use a cloth to clean the surface with a neutral detergent. The cloth should be dry to prevent water from entering the appliance.

Clean the dirt sensor with a damp cloth or the cleaning tool.

Dirty Water Tank

- When dirty water reaches the Max line, the appliance will stop working, show a reminder on the display and play a voice prompt.
- Pull the blue ring as shown and lift the tank lid to empty the DWT. Use the cleaning tool to remove remaining debris. Rinse the inside of the DWT and place back into the appliance.

Dry Filter & DWT Lid

- Grasp recessed area on each side of the dry filter and pull upward. Rinse under running water and must be completely dry before recombining with the lid of the DWT.
- * A spare dry filter is provided with your appliance for convenient replacement.

Brush Roller Self-cleaning

1. Place the appliance on the charging dock after use, the sensor will auto-detect the level of dirt.
2. When you hear the voice prompt "Please start self-cleaning", press the self-cleaning button and begin the process.
3. Once completed, you will hear the voice prompt "Self-cleaning completed, please clean the Dirty Water Tank." At this point, the appliance begins charging.

Note:

- Press briefly to activate fast drying self-cleaning, press and hold for 1.2 seconds to activate silent drying self-cleaning.
- Fast drying self-cleaning: ensure the charging dock is plugged in and the battery level > 18%;
Silent drying self-cleaning: ensure the charging dock is plugged in and the battery level > 10%.
- Before self-cleaning cycle, please clean the DWT and ensure the water level in the CWT > 40%.

Brush Roller

Press the Clean Water Tank release button to remove it from the appliance.

Remove the brush roller by grabbing the brush roller tab and pulling out.

Use the cleaning tool to remove hair and debris wrapped around the roller and rinse the roller and back of the CWT with water. Allow them to dry completely before reinstalling.

Remove hair and debris from the brush roller chamber and the opening with the cleaning tool.

Replace the brush roller by inserting its end into the left side of the holder, then attach the roller tab to the magnetic buckle on the right side to lock into place.

Place the tank back into the appliance. You should hear a click if done correctly.

Brush Roller Replacement

Uninstall

Install

Pull up the roller handle to remove it. Once removed, install the handle into the new brush roller.

When uninstalling, do not directly pull on the pull ring of the brush roller.

Note:

- A spare brush roller is provided with your appliance for convenient replacement.
- To maintain optimal performance, replace the brush roller every 6 months.

Troubleshooting

Problem	Possible cause	Solution
The appliance does not turn on	1. No power 2. Auto protection for overheating 3. The handle is not placed in properly	1. Charge the appliance 2. Restart after cooling down 3. Insert the handle to secure it firmly in place
Weak suction	The dry filter is not installed, or the dry filter is dirty	Install the dry filter or clean and allow it to dry completely
Brush roller tangled in animation  Voice prompt: Please clean the brush roller	The brush roller is blocked	Remove blockages
WiFi indicator off 	WiFi is not connected	Follow the in-app guide to connect to WiFi
CWT empty in animation  Voice prompt: Insufficient water in the Clean Water Tank. Please fill up water	1. CWT is empty 2. CWT is not installed properly	1. Refill CWT 2. Reinstall CWT
DWT full in animation  Voice prompt: Dirty Water Tank is full. Please empty it	The dirty water in DWT has reached the MAX line	Empty the dirty water and then reinstall the DWT
Battery level<10%  Voice prompt: Battery low. Please charge the appliance	Low power	Charge the appliance, or restart
All lights off in operation 	Motor malfunction, battery malfunction, charging abnormality	1. Cool the appliance down and restart 2. Make sure the plug is properly inserted
Solid red light in heavy dirty cleaning 	The pipe under the dirty water tank or suction port of the brush roller is blocked	Remove blockages, clean the debris channel, or restart
Self-cleaning icon blinking	Brush roller is dirty	Start self-cleaning
Drying malfunction	Plug not inserted properly	Check if the plug is properly inserted or if the socket has power
	The brush roller is covered with hard-to-clean debris	Clean the brush roller
	The appliance is not placed properly	Reposition the appliance

Note:

If the above troubleshooting guide fails to provide a solution, please visit our website www.tineco.com for further support.

Warranty

2-YEAR LIMITED WARRANTY

- Only applies to purchases made from authorized retailers of Tineco.
- Is subject to the adherence of the requirements outlined in this instruction manual, and is subject to further conditions outlined below.
- This warranty is governed by and construed under the laws of the country in which the purchase took place. We provide 2-year warranty or a warranty period as stipulated by applicable local law, whichever is longer.

WHAT IS COVERED?

- Your Tineco appliance has a 2-year warranty against original defects in material and workmanship, when used for private household purposes in accordance with the Tineco Instruction Manual. Motorized accessories and battery bought separately come with a 1-year warranty.
- This warranty provides, at no extra cost to you, all labor and parts necessary to ensure your appliance is in proper operating condition during the warranty period.
- This warranty will only be valid if the appliance is used in the country in which it was sold.

WHAT IS NOT COVERED?

Tineco shall not be liable for costs, damages or repairs incurred as a result of:

- Appliances purchased from an unauthorized dealer.
- Careless operation or handling, misuse, abuse and/or lack of maintenance or use not in accordance with the Tineco Instruction Manual.
- Use of the appliance other than for normal domestic purposes, e.g. for commercial or rental purposes.
- Use of parts not in accordance with the Tineco Instruction Manual.
- Use of parts and accessories other than those produced or recommended by Tineco.
- External factors unrelated to product quality and use, such as weather, modifications, accidents, electrical outages, power surges or acts of God.
- Repairs or alterations carried out by unauthorized parties or agents.
- Failing to clear blockage and other hazardous material from the appliance.
- Normal wear and tear, including normal wearing parts, such as clear bin, belt, filter, HEPA, brush bar, and power cord (or where external damage or abuse is diagnosed), carpet or floor damage due to use not in accordance with manufacturer's instructions or failure to turn the brush bar off when necessary.
- Reduction in battery discharge time due to battery age or use.

WARRANTY LIMITATIONS

- Any implied warranties relating to your appliance including but not limited to warranty of merchantability or warranty of fitness for a particular purpose, are limited to the duration of this warranty.
- Warranty coverage applies to the original owner and to the original battery only and is not transferable.
- This limited warranty gives you specific legal rights. You may also have other rights which vary by region.
- Manufacturer's warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from.
Please review the warranty carefully, and contact the manufacturer if you have any questions.

WARRANTY SERVICE

Register: We highly recommend that upon purchase, you register your appliance by logging into our official website (www.tineco.com) or scanning the QR code (see right) to enjoy more exclusive benefits. To register, please enter the whole serial number (found after removing the clean water tank). Failure to register your product won't diminish your warranty rights.

How to Claim: Please retain your proof of purchase. To make a claim under our Limited Warranty, you need to provide your serial number and the original purchase receipt with the purchase date and order number on it.

All work will be carried out by Tineco or its authorized agency.

Any replaced defective parts will become the property of Tineco.

Service under this warranty will not extend the period of this warranty.

Visit Tineco website **www.tineco.com**
for expert customer service.

Medidas importantes de seguridad

CONSERVE ESTAS INSTRUCCIONES

Solo para uso doméstico.

Solo para uso en interiores.

Al usar aparatos eléctricos, se debe seguir siempre una serie de medidas básicas de seguridad, entre ellas las que se indican a continuación.

LEA TODAS LAS INSTRUCCIONES ANTES DE USAR ESTE APARATO. De no seguir todas las advertencias e instrucciones, se podrían producir descargas eléctricas, incendios o lesiones personales graves.

ADVERTENCIA – Para disminuir el riesgo de incendios, descargas eléctricas o lesiones:

1. Este aparato puede ser utilizado por niños a partir de 8 años y personas con discapacidades físicas, sensoriales o mentales, o con falta de experiencia y conocimientos, si están supervisados o han recibido instrucciones sobre el uso del aparato de modo seguro y comprenden los peligros que dicho uso acarrea. Los niños no deben jugar con el aparato. La limpieza y mantenimiento a cargo del usuario no deben ser realizados por niños sin supervisión.
2. El aparato no debe ser utilizado por personas (niños incluidos) con discapacidades físicas, sensoriales o mentales, o con falta de experiencia y conocimientos, a menos que lo hagan bajo supervisión o se les haya dado instrucciones.
3. Use el aparato únicamente en interiores, sobre superficies de suelo sin alfombras como vinilo, azulejos, madera barnizada, etc. Tenga cuidado de no pasar por encima de objetos sueltos ni bordes de alfombras. Si el cepillo se atasca, puede producirse un fallo prematuro de la correa.
4. No permita que se utilice el aparato como un juguete. Es necesario vigilar atentamente el aparato cuando lo usen niños o se utilice cerca de niños, mascotas o plantas.
5. Use el aparato solo como se indica en este manual. Use solo accesorios recomendados por el fabricante.
6. No use el aparato si el cable o el enchufe están dañados. Si el aparato se ha caído o dañado, se ha dejado a la intemperie, ha caído al agua o no funciona como debiera, llévelo a un centro de servicio.
7. No manipule el cargador, incluido el enchufe del cargador, ni los terminales del cargador con las manos mojadas.
8. No introduzca ningún objeto en las aberturas. No use el aparato si alguna de sus aberturas está obstruida. Manténgalo libre de polvo, fibras, pelo y cualquier elemento que pudiera reducir el flujo de aire.
9. Mantenga el pelo, la ropa holgada, los dedos y todas las partes del cuerpo alejados de las aberturas y partes móviles.
10. Tenga mucho cuidado al limpiar escaleras.
11. No aspire líquidos inflamables o combustibles, tales como gasolina, ni lo use en lugares donde pudieran estar presentes.

12. No aspire nada que se esté quemando o humeando como, por ejemplo, cigarrillos, cerillas o cenizas.
13. No use el aparato sin el filtro.
14. Evite puestas en marcha accidentales. Verifique que el interruptor está en posición de apagado antes de tomar el aparato o desplazarlo. Llevar el aparato con el dedo en el interruptor o activar el aparato que tiene el interruptor en posición de encendido puede originar accidentes.
15. Apague siempre el aparato antes de realizar ajustes, cambiar accesorios o almacenarlo. Tales medidas preventivas disminuyen el riesgo de poner el aparato en funcionamiento por accidente.
16. Cargue únicamente con la base de carga especificada por Tineco. Una base de carga adecuada para un tipo de batería puede crear riesgo de incendio si se utiliza con otro tipo de batería.
17. Use los aparatos solo con las baterías Tineco especialmente indicadas para ellos. El uso de cualquier otro tipo de batería puede presentar riesgos de incendio y lesiones personales.
18. Si se hace un mal uso de la batería, el líquido de su interior podría salirse. Evite el contacto con ese líquido. Si hubiera un contacto accidental, lávese con agua abundante. Si el líquido entra en contacto con los ojos, solicite ayuda médica. El líquido que sale de la batería puede causar irritación o quemaduras.
19. No use la batería ni el aparato si estuvieran dañados o modificados. Las baterías dañadas o modificadas pueden presentar comportamientos impredecibles y causar un incendio, explosión o riesgo de lesiones personales.
20. No exponga la batería ni el aparato al fuego o al calor excesivo. Su exposición al fuego o a temperaturas superiores a 130 °C puede causar una explosión.
21. Siga todas las instrucciones de carga y no cargue la batería ni el aparato a temperaturas fuera del rango especificado en las instrucciones. Una carga incorrecta o a una temperatura fuera del rango especificado puede dañar la batería y aumentar el riesgo de que se produzca un incendio.
22. Las reparaciones deben ser realizadas por personal cualificado que utilice únicamente piezas de repuesto idénticas a las originales. Esto garantizará que la seguridad del producto se mantenga.
23. Este aparato contiene células de batería no reemplazables. No modifique ni trate de reparar el aparato ni la batería, a excepción de lo indicado en las instrucciones para su uso y cuidados.
24. Apague siempre el aparato antes de conectar o desconectar la boquilla motorizada.
25. No cargue ni guarde el aparato a la intemperie ni dentro de un vehículo. Cargue, guarde o use la batería únicamente en interiores secos donde la temperatura sea superior a 4 °C, pero inferior a 40 °C. El cargador solo es apto para usarse en interiores.
26. No utilice el aparato para recoger partículas ultrafinas, como cal, cemento, serrín, yeso en polvo o cenizas.
27. No utilice el aparato para recoger objetos afilados, como clavos metálicos, trozos de cristal, clips metálicos o alfileres.
28. No utilice el aparato para recoger sustancias químicas y materiales peligrosos, como disolventes, limpiadores de desagües, ácidos fuertes o álcali fuertes.
