Awesome Screen

The 6.6" Super AMOLED display, with a refresh rate of 120 Hz and a maximum brightness of 1000 nits, provides a first-class experience. The fingerprint sensor in the display allows you to unlock your smartphone conveniently and securely.

Awesome Camera

With the triple main camera (48 MP) of the Galaxy A34 5G you can take the best, most vibrant pictures, whatever the situation. Shoot spectacular wide-angle photos with the ultra-wide camera (8 MP), cool portraits with the depth-sensor camera (5 MP) and unforgettable selfies with the 13 MP front camera.

Awesome Performance

With the long-lasting 5000 mAh battery of the Galaxy A34 5G you are all set for even the longest days, nights and gaming sessions. Thanks to its 25 W Fast Charging you can top up the power in a matter of minutes if you ever find yourself running low. The entire device is optimally protected against water and dust to IP67 standard.
